Re: United States v. Adam J. Manson
Criminal Docket No. 13-0453 (ADS)(AKT)

Dear Judge Spatt:

The government respectfully writes to request that the Court so-order the enclosed stipulation concerning materials that contain personal financial information and personally identifiable information ("PII") regarding individuals other than the above-named defendant. The government makes this application because, in connection with the proposed restitution order, the defendant's counsel has requested copies of affidavits of loss and other documents provided by victims that contain these victims' PII. The government believes that the proposed stipulation will enable expedited production of those materials. The proposed stipulation and order, which has been signed by all parties, is respectfully enclosed for the Court's consideration.

Respectfully submitted,

BRIDGET M. ROHDE
Acting United States Attorney
